

# Associated Builders & Contractors Central California Chapter HVAC Training Program

*Do you want a skilled and qualified workforce?*  
If the answer is YES, then you need to get involved in  
ABC's HVAC Training Program.

ABC offers a 4 year program that is Nationally Recognized utilizing the NCCER (National Center for Construction Education and Research) curriculum that includes classroom and lab training.

Curriculum will include Core, Safety, Trade Mathematics, Basic Electricity, Introduction to Cooling, Introduction to Heating, Air Distribution Systems, and much more.

**You must be a member of ABC Central California  
to be eligible for the training.**

For more information contact:

April Vodopija, Director of Training  
(661) 392-8729 or [avodopija@abccentralcal.org](mailto:avodopija@abccentralcal.org)

Classes will be held at the ABC Training Center  
1608 Norris Road, Bakersfield, CA 93308
