Feature: Safety Training

- Passport Orientation
- Confined Space Entrant/Attendant
- Confined Space Rescue
- First Aid/CPR
- Supervisor Safety Leadership
- Member-driven needs!

Benefit: ABC sets the industry standard for jobsite safety. Our quality safety courses help to decrease workforce accidents and reduces members' worker's compensation costs making your business more productive. Passport Orientation sessions are offered every Wednesday, Friday and Saturday. At NO cost to ABC members.

Feature: Craft Training and Education

- Electrical
- Welding
- Crane Operation
- Instrumentation
- Construction Crew Leader
- HVAC and Heavy Equipment will be coming soon!!!
- Member-driven needs!

Benefit: ABC is an accredited training sponsor of the National Center for Construction Education & Research (NCCER), which utilizes the Contren® curriculum, a competency based, task-driven modular approach. All of our craft training incorporates hands-on practical participation with text-book education. ABC craft instructors are journeyman/technician level in their field and are trained to deliver Contren® programs and share their expertise; mentoring our students in their chosen crafts.

Feature: Management Education/Supervisory Training

Benefit: ABC is dedicated to developing and maintaining effective management and supervisory programs. Effective leadership and team building eliminates many costly problems and provides long term financial benefits to the members of ABC. Bottom line improvements and effective leadership computes to more competitive bidding situations and increased company revenues.

Feature: Legal Services

Benefit: The Chapter's Labor Attorney works in coordination with the ABC Board of Directors in assisting members with various legal needs. A brief complimentary telephone consultation is another benefit of your ABC membership.

Feature: Legislative/Government Oversight

Benefit: When you become a member of ABC, you join more than your local chapter. You belong to a national organization with headquarters in the nation's capital. ABC works daily on a national, regional, state and local level to keep government off your back! Whether it is an impending regulation or threatening bill ABC's National Government Affairs team, Regional Political Managers and State Directors and Lobbyist never stop defending Merit Shop businesses.

Feature: Networking

Benefit: ABC social events provide a flow of contacts and referrals to help build your customer base. Networking events provide an outlet and opportunity to share business experiences and learn from peers on handling similar situations; discuss matters of concern and discuss potential business opportunities. Receive first hand information from speakers and experts on matters of specific interest in the building and petroleum industries.

Feature: Discount Programs

Benefit: ABC members can take advantage of special business discounts with ABC's Business Partners. A few examples include 3 percent on all company fuel purchases at all Shell locations nationwide. Discounts from Enterprise Fleet Management to reduce your vehicle fleet management costs and gain access to ABC member incentives. ABC Members who purchase a business auto insurance policy through AllState can receive a 5% discount (subject to qualifications). The Blue Book will give ABC members free advertising in print and online directories.

Feature: Free Enterprise

Benefit: When you become an ABC member you join over 25,000 companies nationwide that believe in the advancement of the merit shop construction philosophy, which encourages open competition and a free-enterprise approach that awards contracts based solely on merit, regardless of labor affiliation.

ABC– We work for you!!
