

Passport Schedule Change

IMPORTANT NOTICE REGARDING PASSPORT CHANGES!!

The COPS Group (California Oil Producers) have revised the Passport Orientation Program. The changes include:

1. Reduction of the class from an 8 hour day to *3 hours*
2. Elimination of the student handbook
3. One 27 question quiz, and the video is 27 minutes.
4. Refreshers may be managed by the business partner community utilizing the new video and short quiz as an auditable process verified by Chevron representatives. You may download the video from the link below.
 - o Video Link: <http://nelsonmedia.com/clients/cops/index.htm>
 - o A copy of the quiz and the quiz and quiz answers will be emailed upon request.

If your company elects to manage the refreshers or use one of the entities for reciprocity and watch the video, then Chevron requests that your crew leader or your employee have a training log with them. That documentation is sufficient for the Passport orientation.

ABC Members– No Charge Non Members \$25.00

NEW Passport Schedule

Passport is offered twice daily on every:

Wednesday

Friday

Saturday

8:00 am– 11:00 am

or 12:00 pm– 3:00 pm

ABC Training Facility
1608 Norris Road
Bakersfield, CA 93308

Please note:

The major oil producers have agreed to reciprocity with the following entities:

- o Washington State C-Stop
- o OSHA 10 or 30 hour courses
- o LA or Richmond Refinery Safety Orientations
- o Safe Land
- o Safe Gulf
- o With the reciprocity, the oil producers have the expectation that the video and quiz shall be administered.
