

Welding Program

Central California Chapter

The focus of this enhanced training program is to offer our community well rounded welders. When trainees have completed this program they will have the knowledge based upon specific modules from NCCER Welding curriculum levels 1 and 2 as well as the completion of Core curriculum which teaches the foundational skills needed in any trade.

Program Schedule and Details:

- * 2 nights/week 6:00pm—8:30pm and every other Saturday once Core has been completed and the welding curriculum begins
- * 40 week program
- * Wire feed and Pipe welding
